SEEND PARISH COUNCIL RESPONSE TO THE FIRST DRAFT  
OF THE RECOMMENDATIONS ON THE NEW ELECTORAL  
ARRANGEMENTS FOR WILTSHIRE

Seend Parish Council understands that the LGBCE, in its draft recommendations on the new electoral arrangements published in February 2019, has agreed with the recommendations made by Wiltshire Council that Seend Parish be put into a newly created division, to be known as Seend, Potterne and Poulshot.

As this new division would also include Bulkington, Erlestoke, Marston, Worton and Coulston, it would make better sense to give the division a name that encompasses all the above villages rather than just highlighting three of them. Seend Parish Council would suggest that the new division be named: **Devizes Rural West**. We understand that there are already divisions for the North, South and East of Devizes, so it would make sense for there also to be a Devizes Rural West. By calling it Devizes **Rural West**, it makes it clear that it is made up of the small village parishes to the west of the town.

We hope that Wiltshire Council and the LGBCE will take on board our recommendation.

Kind regards,

Terry James,  
Chairman of Seend Parish Council
