

## The Seend Fund

### Report for Annual Parish Meeting 5<sup>th</sup> May 2022

The Seend Fund made twelve donations totalling £2,700 in the calendar year 2021 and in addition made the mandatory payment of  $\frac{1}{4}$  of its 2020 income to the Church of the Holy Cross, Seend

Total outgoings for the year amounted to just over £3,500. This was about £200 greater than its income for the year but since there is a healthy reserve of some £17,000, the overspend was easily absorbed.

Anyone living in or closely associated with Seend, including our neighbours in Bulkington and Poulshot can apply for one-off assistance. There is a regular notice in Spotlight and at the beginning of the pandemic, reminders were posted throughout the area. We continue to encourage requests.

The vicar or rector of the parish (or their representative) is an ex officio member of the trustees. For some time, this place has not been filled.

Copies of the full accounts for 2021 are available in the room.
