(ii) – Pamela Akerman declared an interest in Planning application PL/2023/02712 and Broad Lane. Martin Wiltshire declared an interest in Spout Lane. There were no other declarations of interest in items on the agenda (iii)- There were no requests for dispensations.	
2023/060 Local Councillor's Matters	Cllr Reay provided the following updates on local matters: No report this month	
2023/061 Minutes of the Previous Meeting	The Minutes of the meeting held on 28 th March 2023 were circulated to all Councillors. Acceptance of the Minutes of this meeting as an accurate record was proposed by Anita Heatley and seconded by Jackie Hamblin. With the exception of Terry James and William Lack who were not present at this meeting, all remaining Councillors present voted in favour. A shortened version of the minutes will be placed in Spotlight.	Clerk
2023/062 Matters Arising Not Already on the Agenda	Seend Cleeve Sewage Spill Wessex Water advised their recent survey of the sewage pipe in the vicinity of the pumping station has recorded some ingress of tree roots into the pipe. Steps will be taken to rectify this.	
2023/063 Items for Discussion from Members of the Parish	None	
2023/064 Local Highways & Footpath Infrastructure Group (LHFIG)	Local Highways & Footpath Infrastructure Group (LHFIG) Seend Cleeve Northern Extension of 30mph speed limit The extension of the existing 30mph speed limit needs to be implemented before new residents arrive. Tamara Reay advised that Highways were reviewing the requirement and requested details of the funding provision for this extension. The Clerk to forward details.	Clerk

	<p>Bollands Hill LHFIG agreed this item should remain on their Agenda. Concern was raised regarding the road width below the junction with Pelch Lane. LHFIG stated that the minimum width for central white lines to be applied was 5.5m. The actual road width at this location is 4.8m. The Clerk to advise LHFIG of the Council's findings and include Tamara Reay.</p> <p>Much of the HGV traffic using Bollands Hill also passes through Worton. Tamara Reay advised that options to limit HGV traffic travelling through Worton are to be discussed at their Annual Parish Meeting 15th May. If possible, the Clerk to attend with Tamara Reay</p> <p>The Stocks Advanced Direction Signage (ADS) LHFIG are scheduling the deployment of the additional signage. Although a firm date has not been forthcoming, the Parish Council believes the deployment will be completed within the next three months.</p> <p>Broad Lane Concerns were raised regarding the general state of the lane and verges adjacent to Cherry Tree Farm. The verges need to be cleared of farm machinery and other related items. Potholes along part of the lane also need to be filled. The Clerk to report the potholes on MyWilts App and task the Parish Steward to visit the lane to fill some of the smaller potholes and report any that are beyond the capability of the Parish Steward.</p> <p>Bradley Lane The Clerk advised Wiltshire Council Rights of Way and Countryside Team that their quote to upgrade the surface of Bradley Lane was acceptable and details of the land owners had been provided. Correspondence to be shared with Tamara Reay.</p> <p>Rusty Lane The new surface does not reach the Canal at the lower end of Rusty Lane. The Clerk has written to the Rights of Way and Countryside Team. Correspondence to be shared with Tamara Reay.</p> <p>High Sided Vehicles, High Street Seend A vehicle collided with the roof of a listed building at the Pinch Point on A361, Seend High Street. The matter has been reported to LHFIG who subsequently advised we consider the implementation of Shuttle Working Traffic Lights at this point. Although there will be some 'downside' with such an installation, there are significant advantages if this was implemented, not only protecting adjacent property but also being able to widen the existing pedestrian footway and potentially reduce vehicle speeds in this vicinity. Councillors were willing to consider this option. The Clerk to advise LHFIG and request this as a new agenda item for the next LHFIG meeting.</p> <p>Speedwatch The issue of 'hands-on' as opposed to 'online' Speedwatch training was raised with LHFIG. We were advised that John Derryman (PCC) may be able to assist. The Clerk to forward John Derryman's contact details to John Williams.</p> <p>The next LHFIG meeting is 4th July 2023. The Chairman and Clerk to attend.</p>	<p>Clerk</p> <p>Tamera Reay / Clerk</p> <p>Clerk</p> <p>Clerk/ Tamara Reay</p> <p>Clerk/ Tamara Reay</p> <p>Clerk</p> <p>Clerk</p> <p>Chairman/ Clerk</p>

2023/065 Neighbourhood Plan	Nothing to report	
2023/066 Planning Matters	<p>PL/2023/00050 – The Laurels, High St, Seend - Installation of garage door to existing carport</p> <p>The Parish Council notes there are no changes to the fabric of the building and the new frontage of garage will be in traditional timber with small glass panes that will match neighbouring property and should enhance the listed building and surrounding area.</p> <p>Resolution: William Lack proposed this application be approved. This was seconded by John Williams. All remaining Councillors present voted in favour.</p> <p>PL/2023/02434 – Rusty Lane Farm, Bath Road - Replacement ancillary accommodation outbuilding.</p> <p>Resolution: Anita Heatley proposed this application be approved with the Condition that the building remains ‘Ancillary’ to the main house. This was seconded by Terry James. All remaining Councillors present voted in favour.</p> <p>PL/2023/02712 – Barn at Curnicks Lane, Sells Green, Seend SN12 6RL - Demolition of one building (which has an approved residential use) and replacement with one purpose built residential dwelling</p> <p>This application is for the demolition of a barn to be replaced with a residential dwelling with 4 bedrooms.</p> <p>The Appeal in 2021 approved the conversion of the barn into a <u>2-bedroom</u> house and permitted development was granted. At the time of that application in 2017, Seend Parish Council, and the Case Officer’s Report (17/03312/PNCOU) dated 6 Apr 2017 stated that that proposed development would require a rebuild. The Appeal (Decision Date 8 Feb 2021) also states at para 7 that “I do not consider the proposal to be a ‘fresh build’ because the barn is capable of conversion to residential use without operations that would amount to substantial re-building of the structure.” With the exception of one wall, no external structural changes are required, and the development would almost entirely rely upon the existing building.” Para 8 states “I consider the new wall and windows necessary to convert the barn to a dwelling house.” Under para 13, it states the introduction of a full-length window would show domestication of the area, including 2 parking spaces but “I conclude that the building would clearly read as an agricultural barn, albeit one that is now used for residential purposes”. It is also noted that the Appeal did not consider concerns raised about whether the Applicant had the right to vehicular access along Curnick’s Lane, a single-track lane being a public bridleway.</p> <p>This new application today is asking for a demolition of the barn so this has now become a rebuild or ‘fresh build’ for a much larger house i.e. a 4-bedroom house as opposed to the 2-bedroom house that was granted under a permitted development conversion and will obviously include the construction of new structural elements for a domestic dwelling rather than a</p>	<p>Clerk</p> <p>Clerk</p>

	<p>conversion of an agricultural barn. This application now suggests that the works are so great that the extent of the works now forms a 'fresh build' i.e. the development is starting afresh and the extent of the work required to make the building habitable is to such an extent that it is now not a conversion but a rebuild and the building is not capable of conversion to a 4-bedroom house.</p> <p>There are further concerns in para 1.2 of the Planning Statement of March 2023 with regards to "retaining certain elements of its construction which will compromise the thermal efficiency of the building". This suggests that significant construction changes will be needed.</p> <p>The right of access also needs to be considered. In 2017 the Senior Rights of Way Officer indicated during pre-application stage that the access to the site is not a byway open to all traffic. It is a bridleway (SEEN55) and the only public recorded rights along it is on foot, horseback or bicycle. For vehicles to drive along this bridleway, a right of access would be required. It is an offence to drive along a bridleway without lawful authority. Access must be lawful so this should be a concern and needs to be considered. No details of a right of access have been included in this application and it can be assumed that there would be further increase in the volume of traffic using this bridleway if a 4-bedroom house is allowed.</p> <p>For these reasons, the demolish and rebuild of a domestic house is of such a large scale i.e. 4 bedroom with 3 parking spaces that Seend Parish Council objects to this application.</p> <p>Resolution: Anita Heatley proposed this application be objected for the reasons given in the comments. This was seconded by Philip Springate. With the exception of Pamela Akerman who had declared an interest in this application, all remaining Councillors present voted in favour.</p> <p>Blossom Hill It has been noted that there has been two caravans parked at this location which is in contravention with the Planning Conditions for this location that state, "<i>No more than 2 caravans, of which no more than 1 shall be a static caravan</i>" are allowed. In addition, the hard standing area has been enlarged.</p> <p>The Clerk to write to Wiltshire Council</p>	<p>Clerk</p> <p>Clerk</p>
<p>2023/067 Sandridge Solar Community Benefit Payment</p>	<p>An additional cycle rack adjacent to the East Bound Bus Shelter at Sells Green has been installed. There is the potential to install cycle racks at the 3 Magpies. John Williams to agree an exact location and number of racks with the Landlord. There is the further possibility of deploying some racks at the new development in Seend Cleeve and the School.</p>	<p>John Williams</p>
<p>2023/068 Devizes Area Board</p>	<p>The next Devizes Area Board meeting will take place on 19th June 2023</p>	<p>Pamela Akerman / John Williams</p>
