Minute no: 2019/162.8 Tree Warden - The Arboricultural Officer who looks after your area is David Wyatt, Wiltshire Council.  2. Minute no: 2019/165.1.1 Litter picking equipment picked up by the Clerk, and various small litter picks have taken place around parish. Photos sent to Wiltshire Council Streetscene as proof of litter picking.  3. Minute no: 2019/164.1 Electoral Review – Clerk wrote to LGBCE to request that the new division name be Devizes Rural West.  4. Minute no: 2019/169.2 Collation of RTC lists - The Clerk had contacted the Community Beat Officer and Wiltshire Council's Community Engagement Manager to see if they could keep a record of all RTC's that occurred in the parish, not just the ones that the Police attended or where there were injuries. Both the Police and Wiltshire Council Highways, said that this was not possible. The Highways Engineer suggested that we continue to do our own log of road accidents to help ourselves to decide on the Parish's priorities when making requests for improvements through the CATG.  5. Minute no: 2019/166/3 - Dog fouling signs — Mr Padfield said that he had spoken to the landowmer who had the signs that explained the risk of disease to livestock from dog waste. The landowner had produced the signs himself. Cost of producing the signs was unknown. It was suggested that we try to get a template of the sign from the landowner. Mrs A'Bear asked the Clerk for a photo of the sign and she would see if she could get sponsorship from a local vet.  6. Defibrillator at Sells Green — The landlord of the Three Magpies has agreed to keep an eye on the defibrillator and to contact the Parish Council if sees any problems with it.  7. The Highways Engineer suggested that we continue to do our own log of road accidents to help ourselves to decide on the Parish's priorities when making requests for improvements through the CATG.  5. Minute no: 2019/166/3 - Dog fouling signs — Mr Padfield said that he had spoken to the landowner who had the signs that explained the risk of disease to livestock from dog waste. The landowner had produced the signs himself. Cost of producing the signs was unknown. It was suggested that we try to get a template of the sign from the landowner. Mrs A'Bear asked the Clerk for a photo of the sign and she would see if she could get sponsorship from a local vet.  6. Defibrillator at Sells Green — The landlord of the Three Magpies has agreed to keep an eye on the defibrillator and to contact the Parish Council if sees any problems with it.  7. Benches — The Clerk reported that she had walked with Fritz to see what benches he would be able to renovate. It was agreed he would clean and treat the one by Dial Close and the one at the top of the Pelch once

2019/188 Co-Option of Councillor	The Chairman welcomed Mr William Lack to the meeting. Mr Lack answered a number of questions put to him by the Parish Councillors, after which he was asked to leave so that the Councillors could discuss his application to be a Parish Councillor.	
	1.1 Resolution: Mr Manning proposed that Mr Lack be accepted onto the Parish Council. Seconded by Mrs Vince. All Councillors voted unanimously in favour. Clerk to notify Mr Lack	Clerk
2019/189 Police Matters	The following incidents had been reported:	
T once matters	7 Mar - FTS (failure to stop) minor RTC (wing mirror damage) in High Street.  18 Mar - mini digger stolen from yard in Station Road.  22 Mar - ASB - loose animals v horse and rider - Broad Lane.  24 Mar - car v motorcycle leg injuries - A361.  24 Mar - theft of 2 bikes from driveway - High Street.  29 Mar - ASB - personal - Kennet and Avon canal.  31 Mar - car seized no tax - High Street.  7 Apr - 9.30pm - tree fell onto car in Bollands Hill.  16 Apr - 2 men seen on The Pavilion roof - escaped before police arrived.  22 April – blue car seen in ditch near G&S Patios.	
2019/190 Neighbourhood Plan	Mrs A'Bear reported that the NPSG have been working to draw together the various parts of their evidence base which will underpin the plan and we have also been able to start drafting out plan content and policies. We held a meeting on Thursday 18 <sup>th</sup> April with the CLT in which the CLT were invited for informal feedback and both groups to give updates. It went well and there is some good joint working going on. They now have a first draft of their emerging plan in which the policy content is starting to shape up. Although it is an early draft, the NPSG were happy to share this with the CLT group for them to input in the shaping and refining of the plan, in particular those policies that relate to housing in the Parish and which aim to tie in with the objectives of the CLT.	
2019/191 Seend CL&AT	The consultation is still open on the local green space in Dial Close.  1. Mr George Clarke (Chairman) and Mr Steve Vaux (Director) of the Seend Community Land & Asset Trust spoke of their need to have Parish Council support for their bid for funding from Homes England. They explained that they are seeking funding from Homes England to carry out a feasibility study on a possible site for building affordable housing within the Parish. This would involve a preliminary study into the suitability of the site from an ecological, topographical and geographical perspective. As this is public money, Homes England have to show due diligence has been carried out by ensuring that the Parish Council gives its support for their work. The money would be used to finance the various feasibility studies to determine if the site is suitable, any consultancy costs and to employ an architect to design the housing and draw up provisional plans. The money would be controlled by Wiltshire Council.  1.2 Any support given by the Parish Council at this stage does not prejudice	
	any later views it may have once the Seend CLT have a firm option on a particular site and have reached pre planning stage with a design. What it does do is allow them to take their bid to stage 2 of approval in the National Housing programme.  1.3 Mr George Clarke (Chairman of the Seend CLT) and Mr Steve Vaux, (Director) said that the funding is necessary to further their aim to provide affordable homes within the Parish. There would still be a need to await the results of the latest housing survey that would determine the amount and type of housing that the parish felt was needed. But by applying for the funding it would ensure that the process was not delayed.	

Seend Parish Council Minutes of meeting held on 30th April 2019/Final Version

1.4 Resolution: Mrs Vince proposed that the Parish Council give its support to the Seend CL&AT's bid for funding from Homes England to take their community housing project to the next stage. This was seconded by Mr Nicholls. All councillors voted unanimously to support bid for funding.  Clerk was asked to draft the letter of support for the Chairman to sign.  Clerk was asked to draft the letter of support for the Chairman to sign.  1. Church Crossing – the Chairman reported that he had received firmer costings for the high friction surfacing (HFS) £795 and bollards on the South side only £555, total £1350. CATG's contribution would be £600 with the remainder to be paid for by the Parish Council. After some discussion, Councillors felt that the bollards were too costly.  1.2 Resolution: Mrs Heatley proposed that we just asked for the high friction surface to be done and not the bollards. This was seconded by Mr Padfield. All Councillors voted in favour.
